Dear Parents

5.1.16

Hand washing Awareness Session

The school nurse will be visiting our school on Thursday 21st January 2016 to deliver an awareness session on Hand Washing. During this session your child will have the opportunity to practice appropriate Hand Washing. To demonstrate hand washing the children will be given the opportunity to apply 'glitter bug hand lotion' to their hands and then observe their hands under the Ultra Violet Light. This then demonstrates to the child whether or not their hands were washed satisfactory.

The Glitter Bug Lotion should not be applied on children who are known to have **skin or food allergies**. If you **do not** want your child to take part in this session please indicate on the slip below.

If you would like any further information or would like to discuss this with the school nursing team, please contact them on 01642 835320.

Yours sincerely

School Nursing Team
