Dear Louise

I am writing to send my congratulations to your children and staff and, of course, to yourself as leader in your achievements this year.

Middlesbrough Council is very impressed that your school has managed to exceed the National Average in your KS2 outcomes for Reading, Writing and Maths. We realise that the tests this year were a new, unknown challenge, but your school has clearly managed to teach and prepare children in Year 6 to do their very best. You and your staff should feel very proud. I hope that you will pass on my thanks to children and staff in due course.

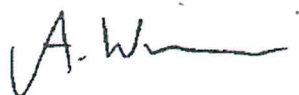

I am sure that you are all looking forward to a rest during the summer holidays. However, as we look towards the new term, there is considerable work to do to ensure that all schools in Middlesbrough can achieve or exceed the National Average.

We hope that you will be able to share the routes to your success with other schools in the coming term

I wish you all a very happy summer holiday and once again please do not forget to pass on my very best wishes to your staff and children.

Many thanks for your continuing hard work and support.

Yours sincerely

Andrea Williams
Assistant Director, Learning & Skills
