Dear Parents and Carers,

As I am sure you are aware, regular opportunities for outdoor and offsite learning are encouraged at Chandlers Ridge and are planned into the curriculum for each year group in the school.

Currently, each time we take children out of school, we have to ask you to consent. To make the organisation a little less complicated, I would be grateful if you would sign the accompanying overall consent form to cover any local visits for this academic year. Local means any trip where the children travel by walking, where no monetary contribution is required. Such visits would of course have the requisite regulation staff supervision and cover.

We will continue to inform you if your child was going to be out and advise you of anything they may require for the trip, but with a global consent form there would be no need for you to consent each time.

On those occasions when visits involve any kind of cost and voluntary contribution, or where we are traveling over a greater distance, you will receive a letter with details and consent will be on ParentPay as usual.

With kind regards

Louise Lidgard
Head Teacher

Consent form for local school visits

I give permission for my child to be taken on a visit to a destination within walking distance of the school for no more than half a school day. I understand that the school will take all reasonable precautions to ensure my child's safety.
