## Home-School Information Pack

Your child has brought home with them today a pack of information containing a number of important documents for your attention. As there are so many things in the pack we thought it would be helpful to pull together a checklist of the contents and what action parents need to take, as follows:

Item	Action Required	Tick when actioned
Initial Target Report (Years 1-6) Early Learning Goals (Reception)	If you require a particular slot for parents evening please email your child's teacher directly.	
Home school agreement	Sign both copies and return the black and white version (marked school copy) to school	
Consent for Local School Visits	Sign and return to school	
Emergency Contact Form	Sign and return to school	
Ethnicity and Language form	Sign and return to school	
Free School Meals Letter	For information only	
Paperless communication	Return only if you want to opt out	

Yours sincerely
