Dear Parents and Carers,

Early Years Pupil Premium

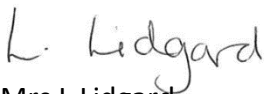

You may be aware that since April 2015 all early years providers who deliver Government funded early education will be able to claim the early years pupil premium for three and four year old children.

This could provide Chandlers Ridge Academy with up to an extra £302 annually per child for your son or daughter's nursery or pre-school place to fund valuable support like extra training or resources to help raise the quality of your child's early education. This will make a significant difference to our budget.

All we need from you is your name, date of birth and national insurance number and we can check your eligibility for this grant.

Providing us with this information is entirely voluntary and if you do share these details we are committed to ensuring that the personal and sensitive information that we hold is protected and kept safe and secure. We will use the information you provide to assess entitlement to the early years pupil premium.

Thank you for completing this form and helping to make sure your child's time with us is as well funded as possible.

Mrs L Lidgard
Head Teacher
