Dear Parents/ Carers

14.03.2017

Inspire to Learn

The Year 5 children have been invited to take part in an afternoon of information about future career opportunities on Tuesday 21st March at Inspire to Learn, Eston, with a focus on Engineering, Logistics, Digital Technology, Medical and Construction. These events are a half-way house between a hands on day and a traditional careers fair. The current focus on Y5 is based on personal and growing research evidence that the key ages where decisions about careers are made is actually in primary. Often these decisions and lack of information closes many doors before the children even knew they existed.

The children will be leaving school at 12noon and will return for the end of the school day depending on traffic. They will also need a packed lunch.

This event is free. Please complete the consent form below and return it to your child's class teacher as soon as possible.

Yours sincerely

Mrs Bass and Mrs Clark

Year 5 Teachers
