In 2012 developer of Grey Towers Village agreed to pay Middlesbrough Council an Education Contribution of £750,000 for the provision of educational services and infrastructure at Chandlers Ridge Primary School.Five years later, Middlesbrough Council is now exploring making changes to this agreement so the money can be spent on schools across the whole of Middlesbrough.

Local MP Simon Clarke and Nunthorpe resident Mieka Smiles believe Chandlers Ridge should receive this entire sum of money.

The school already struggles with maintaining and improving the infrastructure for the children already on roll - this is because the school receives one of the lowest amounts of funding per child in the whole of Middlesbrough as Nunthorpe is in an area of relative low deprivation. The school planned to use the funding for outdoor play facilities, a bigger nursery and improved classroom facilities for all.

Do you agree that Chandlers Ridge should receive the total sum as agreed 5 years ago?"
