

Reception Homework Grid - Autumn 2nd Half 2018

Please choose a minimum of 3 tasks to complete over this half term.

Please return work to your child's teacher gradually rather than all at the end of half term.

If a piece of homework requires a video or photo evidence, you can either email your child's teacher or upload to Tapestry.

<p>Make a winter picture using 2D shapes. For example, you could make a snowman, a Christmas tree, a starry night etc. You could make a sticky picture or use shapes and take a photo. It's up to you! Why not try to label your shapes?</p> <p>EAD/Mathematics</p>	<p>Make a map of your road or part of your road. Number the houses, make sure the houses are in the correct number order.</p> <p>EAD/Mathematics/UTW.</p>	<p>Find examples of 3D shapes in your house e.g. sphere - football cylinder - a can of soup cube - a dice cuboid - a shoe box Take photos of the things you find.</p> <p>Mathematics/UTW</p>
<p>Create your own pattern for a display in school. You can be as imaginative as you like. It could be colours, shapes, people, cars, houses. You could use paints, collage, pencils...anything!</p> <p>EAD/ Mathematics</p>	<p>Learn a song or rhyme and record yourself singing it. You can upload it to Tapestry.</p> <p>EAD/UTW</p>	<p>Play a board game with your family, taking turns and following the rules.</p> <p>CLL/PSED</p>
<p>Make a diary for one weekend. Write down what you did over the weekend. Draw pictures or even take photos.</p> <p>CLL/Literacy/PD</p>	<p>Be a scientist! Put an egg (in its shell) into a cup of vinegar. The egg will need to be completely covered. Leave it for 24 hours. Rub off the shell. You should have made a bouncy egg! (Let us know if it worked!)</p> <p>UTW</p>	<p>Be a helping hand at home! Help someone at home with jobs. Ask them to write down what you have helped with. We have a certificate waiting for you!</p> <p>PSED</p>
