

## Primary PE and Sport Premium Report for 2018/2019

The Primary PE and Sport Premium is ring-fenced funding to be used by the school to achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the national vision that will live on well beyond the Primary PE and Sport Premium funding and benefit pupils both now and in the future.

The national vision is for: **“All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”**

In the academic year **2018/19**, we will/have received £17 211. This report was updated on **21/06/19**.
