REGISTER OF GOVERNOR INTEREST GUIDANCE

To ensure full transparency, Governors must declare all business interests as well as the details of any other educational establishments they govern. The register must also set out any relationships between governors and members of the schools staff including spouses, partners and relatives. It is important to address any perception of a conflict of interests by making clear where such potential personal or pecuniary interests might apply; this might be a conflict between personal interests and the interests of the school when dealing with outside organisations or individuals. Please Note, it is the responsibility of each individual governor or staff member present at any meeting to declare their interest; the register is not a substitute for declaring an interest at meetings. The date of declaration above is the date of the signing of the interests form. Whilst the form is completed and signed annually, Governors are prompted to inform the clerk of any changes at every meeting and any such reported changes will be updated on this register.

Note 1. Pecuniary interest includes current employment, businesses (of which partner/proprietor), company directorship, charity trusteeship and other conflict.

Note 2. Personal Interests can also include business involvement/company directorship or trusteeships or family or close connections to the governor (for example a company the school might have contracts with).
