

The Primary PE and Sport Premium is ring-fenced funding to be used by the school to achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the national vision that will live on well beyond the Primary PE and Sport Premium funding and benefit pupils both now and in the future.

The national vision is for: ***“All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”***

In the academic year **2021/22**, we will/have received **£18820**. For Autumn and Spring term we spent: **£14078**. This report was updated on **13/06/22**.

Following the Swim Review in 2017, schools must also report on the impact of their swimming provision:

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort , swim competently, confidently and proficiently over a distance of at least 25 metres?	100%
What percentage of your current Year 6 cohort , use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	91.3% (5 children)
What percentage of your current Year 6 cohort , perform safe self-rescue in different water-based situations?	86.2% (8 children)
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way? (If Yes ensure you report it in the table above)	Yes – top up session for Y6 following their sessions in Y3.

Please update your report including the swimming section at the end of the summer term to reflect the full academic year.
